

## Index, volume 26

(January to December 2018)

Explanatory note: references all refer to volume 26, and individually list the issue and page, for example, 1:2 refers to volume 26, issue one (January), page two. Authors are given where available.

## Feature, Reports and Profiles Indexed by key words

### A

#### Accident and emergency

Where better never stops (Loreyna, Rhona) **4:40-42**

#### Activity

Be active, be the best (Lavery, Carmel) **8:32-33**

#### Acute care

The green team: finding occupation in delirium (Perryman, Michelle and Smith, Charlotte) **12:46-47**

#### Adaptations

Helping people with muscle-wasting conditions (Keaney, Corinna and Stuart, Demelza) **5:30-31**

#### Adult social care

Performance guidance within a social care occupational therapy service (Cooke, Gill and Ruston, Catherine) **8:24-26**

Prevent, reduce and delay – a new approach in adult social care (Bolger, Muireann) **5:20-22**

#### Advanced clinical practice

Spotlight on advanced clinical practice (Cooper, Paul and Tempest, Stephanie) **6:24-26**

#### Animal assisted therapy

Horsemanship for health (Heylar, Lydia) **10:44-45**  
The merging of two worlds (Hughes, Kirstie) **7:31**

#### Annual conference

Inspiring, informing, involving (Samuels, Tracey and Bolger, Muireann) **7:15-23**

#### Apps

Using digital technology for cognitive rehabilitation (Wright, Natalie) **3:35**

#### Arts and crafts

A stitch in time... (Youngson, Bel and Wilby, Helen) **8:42-44**  
Reflection through poetry writing (Woods, Sandie) **3:22-23**  
Storytelling for health and wellbeing (Ward, Alison and Brear, Jan) **3:24-26**  
The arts: health effects (Parsonage, Jackie) **2:25**

## Assistive technology

Technology as an enabler for living life (Cooper, Paul and Ward, Gillian) **4:28-30**

## Augmentative and alternative communication

A journey into augmentative and alternative communication (Alkhina, Karen; Bailey, Debbie; Bradford, Julie; Harman, Penelope; Rogers, Jodie) **8:28-30**

## Autism spectrum disorder

A service user involvement project (King, Vicky) **5:32-33**  
Achieving the best outcomes for children, young people and their families (Harris, Ben and d'Abo, Vicky) **10:36-38**

## Awards

The sky's the limit (Samuels, Tracey) **10:14-21**

# B

---

## Back in Action

Working together and making a difference (Davies, Alison) **8:38-40**

## Bed rehabilitation programme

The bed rehabilitation programme (Pearce, Sally; Amey, Nickie; Mosley, Davina; Stuttard, Jane; Brown, Jacqueline; Jenkins, Lucy; Pickering, Rachel) **1:22-24**

## Brain injury

Accessing community activities after brain injury (Dybiec, Samantha) **1:31**  
No barriers, only opportunities (Price, Ryan) **11:28-30**

# C

---

## Campaigns

Get up, get dressed, get moving (Skrypak, Rosie) **6:19-20**  
PJs say you are unwell, clothes say you are getting better (Jones, Natalie) **6:18-19**  
RCOT holds UK-wide events to mark launch of new campaign reports (Bolger, Mureann) **6:26-27**

## Cancer care

Adopting enhanced recovery principles with cancer treatments (Fieldson, Helen) **12:44-45**  
Increasing specialist neuro-oncology rehabilitation (Lacey, Tara) **8:34-35**

Normalising play for children with cancer in hospital (Pessoa Silva, Maria Denise; Payne, Michelle; Rawlinson, Deborah; Edwards Lesley) **5:34-36**

Promoting self-rehabilitation through purposeful activities (Nicholson, Alice) **12:27**

Stepping out of the bubble (Harris, Ilana and Belancic, Maja) **7:42-44**

The Frailty Project: Improving outcomes for frail patients (Symonds-Lloyd, Ellie and Kasivisvanathan, Ramanathan) **5:42-44**

## Care co-ordinator

Keeping the focus on occupation (Singh Uppal, Jaspreet) **11:48-50**

## Care homes

Environmental design and dementia (Simpson, Claire; Stratton, Louise; Spencer, Sarah) **12:32-33**

## Career development

Professional networking: a useful strategy for professional development (Lovegrove, Chris) **6:42-43**

## Career Development Framework

Stepping into retirement (Sainty, Mandy) **2:28-29**  
To support myself, support others and support transitions (Morais, Lucas; Ahmad, Kinza; Tempest, Stephanie) **9:38-41**

## Cerebral Palsy

Inspire, inform, involve (Hoare, Brian) **4:39**

## Challenging behaviour

Labels are for tins, not people (Sly, Sam) **4:36**  
Reducing behaviours that challenge (Denicola, Jessica) **1:18-20**

## Children's services

A service user involvement project (King, Vicky) **5:32-33**  
Achieving the best outcomes for children, young people and their families (Harris, Ben and d'Abo, Vicky) **10:36-38**  
Building resilience through mindfulness (Hatley, Leonora) **8:48-49**  
Celebrating SensationALL diversity (Burnett, Valery and Strachan, Suz) **8:22-23**  
Keep calm and make change (Plant, Samantha) **9:18-20**  
Little Scribblers (Louden, Fiona) **5:38-40**

Normalising play for children with cancer in hospital (Pessoa Silva, Maria Denise; Payne, Michelle; Rawlinson, Deborah; Edwards Lesley) **5:34-36**

Promoting self-rehabilitation through purposeful activities (Nicholson, Alice) **12:27**

## Clinical academic internship

Being prepared to fail in order to succeed (Clark, Elspeth) **4:43-45**

## Cognitive rehabilitation

Using digital technology for cognitive rehabilitation (Wright, Natalie) **3:35**

## Communication and technology

A journey into augmentative and alternative communication (Alkhina, Karen; Bailey, Debbie; Bradford, Julie; Harman, Penelope; Rogers, Jodie) **8:28-30**  
Occupational therapists leading the way in bridging the digital divide (Groves, Mary and Allsopp, Lynne) **6:48-49**

## Community care

The bed rehabilitation programme (Pearce, Sally; Amey, Nickie; Mosley, Davina; Stuttard, Jane; Brown, Jacqueline; Jenkins, Lucy; Pickering, Rachel) **1:22-24**

## Community mental health

Recovery through activity in Cumbria (Cusick, Linda) **7:32-33**

## Compassionate communities

Creating a compassionate community (Hurtley, Rosemary) **2:32-34**

## Constance Owens Trust

Supporting my occupational therapy research journey (Graham, Mandy) **12:42-43**

## Continuing professional development (CPD)

A stroke of insight (Chung, Charlie and Murray, Kelly) **1:30**  
Beyond the traditional routes for CPD? (Evans, Catherine) **11:52-53**  
Café conversations – move, shake and innovate (Stevens, Elizabeth and Thomson, Hannah) **9:54-55**  
Conceptualising CPD at the occupational therapy process: accessing, intervening and evaluating your career (Morais, Lucas) **12:48-51**  
Feeling the fear and taking the plunge (White, Rachel) **10:28-30**

Professional networking: a useful strategy for professional development (Lovegrove, Chris) **6:42-43**

Spotlight on advanced clinical practice (Cooper, Paul and Tempest, Stephanie) **6:24-26**

Stepping into retirement (Sainty, Mandy) **2:28-29**

Taking up CPD opportunities (Chisman, Ellen) **11:54-55**

To support myself, support others and support transitions (Morais, Lucas; Ahmad, Kinza; Tempest, Stephanie) **9:38-41**

Uncovering and unlocking potential (Hegarty, Fiona) **9:50-51**

### **Continuing healthcare**

The role of occupational therapists in continuing healthcare (Bissell, Debbie; Ensor, Nikki; Kahrman, Aldin; Tobin, Edward) **2:22-24**

### **Coproduction**

My coproduction journey (Scott, Rachel) **12:18-19**

## **D**

---

### **Dance**

Movement workshops as a therapeutic intervention (McAlister, Louise and Boulton, Fliss) **12:24-26**

### **Delirium**

The green team: finding occupation in delirium (Perryman, Michelle and Smith, Charlotte) **12:46-47**

### **Dementia care**

A base for future practice? (Namuli, Anisha) **3:43**

Building dementia friendly day rooms (Young, Kate) **7:51**

Environmental design and dementia (Simpson, Claire; Stratton, Louise; Spencer, Sarah) **12:32-33**

### **Digital technology**

Occupational therapists leading the way in bridging the digital divide (Groves, Mary and Allsopp, Lynne) **6:48-49**

Technology as an enabler for living life (Cooper, Paul and Ward, Gillian) **4:28-30**

Using digital technology for cognitive rehabilitation (Wright, Natalie) **3:35**

### **Disability**

Challenging perceptions on disability (Grant, Dierdre and Grant, Kate) **4:39**

Changing lives for the better

(McDonald, David) **4:38**

### **Disability sport**

Be active, be the best (Lavery, Carmel) **8:32-33**

RCOT endorsed guide to support the use of boccia as an assessment and intervention tool **8:33**

### **Discharge**

From hospital to home (Arnold, Janice) **3:28-30**

### **Diverse roles**

A career in the retail sector (Bromfield, Lauren) **1:28-29**

The merging of two worlds (Hughes, Kirstie) **7:31**

Vestibular rehabilitation – an emerging role for occupational therapists? (Kus, Emma and Timmons, Alex) **9:28-30**

## **E**

---

### **Early intervention**

Prevention and early intervention (Gasson, Sandra) **12:30-31**

### **Education**

Reflection through poetry writing (Woods, Sandie) **3:22-23**

The value of enquiry based learning (Spalding, Nicola and North, Sophie) **4:16-18**

### **Elizabeth Cason Trust**

Beyond the traditional routes for CPD? (Evans, Catherine) **11:52-53**

### **Emerging roles**

A career in the retail sector (Bromfield, Lauren) **1:28-29**

### **Employment**

A collaboration between education and industry (Bolger, Mureann) **7:28-30**

Promoting student employability (Barnes Brown, Vikki; Fitzsimons, Karen; Higginson, Michaela) **1:38-39**

### **Enablement**

Prevention and early intervention (Gasson, Sandra) **12:30-31**

### **End of life care**

Challenging the perceptions of hospices (Iskander, Jane) **2:16-17**

### **EndPJparalysis**

Get up, get dressed, get moving (Skrypak, Rosie) **6:19-20**

PJs say you are unwell, clothes say you

are getting better (Jones, Natalie) **6:18-19**

Promoting self-rehabilitation through purposeful activities (Nicholson, Alice) **12:27**

### **Enquiry based learning**

The value of enquiry based learning (Spalding, Nicola and North, Sophie) **4:16-18**

### **Equipment**

One year on: reflections on the development of a new pathway (Holden, Haf) **11:24-26**

### **Erasmus placements**

Living and working in London (Sachpazi, Kyriaki) **5:48**

### **Executive function**

Accessing community activities after brain injury (Dybiec, Samantha) **1:31**

### **Extended roles**

Influencing and improving patient flow (Singleton, Janette and Johnson, Janet) **8:36**

## **F**

---

### **Falls**

An added advantage (Vine, Joan and Shaw, Vicky) **2:48-50**

Reducing the fear of falling (Glackin, Oliver; Fenton, Craig; Turner, Sue) **5:24-25**

Vestibular rehabilitation – an emerging role for occupational therapists? (Kus, Emma and Timmons, Alex) **9:28-30**

### **Fatigue**

Improving energy and wellbeing (Hill, Fran) **11:46-47**

Stepping out of the bubble (Harris, Ilana and Belancic, Maja) **7:42-44**

### **Fire and Rescue Service**

Closer working with the Fire and Rescue Service in Cleveland (Coates, Mark and Turton, Dave) **3:20-21**

### **Food poverty**

Occupational therapists working in food banks (Osborne, Hannah) **11:36-37**

### **Forensic services**

A new way of working (Lawrence, Joanna and Baker, Sam) **6:32-34**

Affecting positive culture change (Mickel, Andrew) **11:35**

Reading for wellbeing in forensic

services: Getting it 'just right' (Young, Catherine and Marshall, Alison) **6:28-30**

## Frailty

The Frailty Project: Improving outcomes for frail patients (Symonds-Lloyd, Ellie and Kasivisvanathan, Ramanathan) **5:42-44**

## G

---

### Group work

The therapeutic use of group work in major trauma rehabilitation (Welford, Jenny) **1:40-41**

## H

---

### Health and Work Champions

The challenges facing older workers (Traherne-Walker, Annette) **4:24-26**

### Healthy Prestatyn

Making a contribution – occupational therapy in primary care (Shah-Hall, Mark and Clarke, Lucy) **8:18-20**

### HIV

From education to experience (Hawkins, Camilla) **12:20-22**

### Homelessness

Learning through experience (Djordjevic, Amy) **5:52-53**

### Hospices

Challenging the perceptions of hospices (Iskander, Jane) **2:16-17**  
Listening to our patients' voices (O'Herlihy, Claire; Pitts, Deborah; Turner, Karen) **5:16-18**

### Horticultural therapy

Facilitating recovery through a ward development project (Lilley, Hannah) **6:38-39**

Learning through experience (Djordjevic, Amy) **5:52-53**

Reducing the fear of falling (Glackin, Oliver; Fenton, Craig; Turner, Sue) **5:24-25**

## I

---

### Inclusive design

A collaboration between education and industry (Bolger, Mureann) **7:28-30**

### Integration

Leading sustainability and transformation in Leeds (Brooks, Rob; Matson, Clare; Drake, Maureen;

Ward, Liz; Griffiths, Alison; Sterling, Denise; Trevett, Marie-Clare) **4:56-57**

The tribulations and jublations of managing an integrated multidisciplinary team (Hardman, Judith) **10:24-27**

### Intermediate care

Reducing 'wasted time' in a patient's journey (Richards, Laura and Sharples, Jennifer) **6:21-23**

### International initiatives

Who benefits from international volunteering? (Swinburne, Jessie) **2:40-41**

## L

---

### Leadership

Keeping the focus on occupation (Singh Uppal, Jaspreet) **11:48-50**

Leadership – on your best behaviour (Lawson Porter, Anne; Grey, Shelley; Townend, Sally) **5:28-29**

Leading the way (Travers, Debbie) **2:26-27**

Performance guidance within a social care occupational therapy service (Cooke, Gill and Ruston, Cathrine) **8:24-26**

### Learning and development

Adapting the CLiP model for occupational therapy (Thomas, Yvonne; Heaslop, Annabel; Philips, Beverly; Chapman, Rachel) **9:32-35**  
Learning together (Tempest, Stephanie and Bell, Kim) **5:14-15**

### Learning disability

A real case for occupational therapy (Armstrong, Shaun; Mildren, Sarah; Ramsay, Ellen) **5:50-51**

## M

---

### Macmillan

Adopting enhanced recovery principles with cancer treatments (Fieldson, Helen) **12:44-45**

Increasing specialist neuro-oncology rehabilitation (Lacey, Tara) **8:34-35**

### Medicines

Enhanced responsibilities for a more holistic practice (Cooper, Paul) **9:36-37**

### Mental health

A framework for mental health research – and occupational therapy research?

(Smyth, Genevieve and Ward, Gillian) **3:48-49**

An alternative system of care? (Carr, Angiolina) **3:40-42**

Developing a service in a non-traditional setting (Bass, Kerry) **9:42-44**

Expanding understanding (Walker, Graham) **10:32-33**

Facilitating recovery through a ward development project (Lilley, Hannah) **6:38-39**

Keeping the focus on occupation (Singh Uppal, Jaspreet) **11:48-50**

Making every contact count (Hogan, Linda) **9:16-17**

Movement workshops as a therapeutic intervention (McAlister, Louise and Boulton, Fliss) **12:24-26**

My coproduction journey (Scott, Rachel) **12:18-19**

Occupational-therapy run family-focused interventions (Ward, Bethan) **6:36-37**

Quality improvement in acute mental health (Steede, Kevin) **12:28-29**

RCOT holds UK-wide events to mark launch of new campaign reports (Bolger, Mureann) **6:26-27**

Recovery through activity in Cumbria (Cusick, Linda) **7:32-33**

Storytelling for health and wellbeing (Ward, Alison and Brear, Jan) **3:24-26**

The journey of the 'Meet and Eat' group (Veringa, Shelley) **11:51**

### Military rehabilitation

Archaeology as a meaningful occupation for military personnel (Carvell, Katie) **9:24-26**

Racing back to health (Trent, Dan) **2:18-20**

### Mindfulness

Building resilience through mindfulness (Hatley, Leonora) **8:48-49**

### Mobility

A career in the retail sector (Bromfield, Lauren) **1:28-29**

### Models of practice

Putting theory into practice as a newly-qualified practitioner (Ballantine, Iain) **2:38-39**

### Motor Neurone Disease

One year on: reflections on the development of a new pathway (Holden, Haf) **11:24-26**

### Moving and handling

Moving forward with the times (Watson,

Rachelle and Goddard, Rebecca)  
**9:22-23**

### **Muscular Dystrophy**

Helping people with muscle-wasting conditions (Keaney, Corinna and Stuart, Demelza) **5:30-31**

### **Music therapy**

Creating music to facilitate recovery after stroke (Nicholson, Clare) **7:34-36**

## **N**

---

### **Networking**

Celebrating a year of networking (Green, Kim) **6:44**

Professional networking: a useful strategy for professional development (Lovegrove, Chris) **6:42-43**

### **Neuro-oncology**

Increasing specialist neuro-oncology rehabilitation (Lacey, Tara) **8:34-35**

### **Newly-qualified practitioners**

From one newly qualified practitioner to another (Douglas, Amy) **6:48-49**

Improving the preceptorship experience (Styles, Gemma) **3:16-18**

Living life to the full (Jabeen, Zeba) **6:45**

Overcoming the fear of stepping into practice (Mowlam-Tett, Annie) **10:34-35**

Putting theory into practice as a newly-qualified practitioner (Ballantine, Iain) **2:38-39**

### **Non-medical prescribing**

Enhanced responsibilities for a more holistic practice (Cooper, Paul) **9:36-37**

### **Nursing homes**

Introducing occupational therapy to a nursing home (Bolton, Catherine) **3:44-45**

## **O**

---

### **Occupation performance coaching**

Achieving the best outcomes for children, young people and their families (Harris, Ben and d'Abo, Vicky) **10:36-38**

### **Occupational Therapy Week**

Occupational Therapy Week 2018 **12:34-39**

### **Older people**

Bridging the gap between generations (Boyd, Andrea) **3:32-34**

Crossing professional boundaries

and creating new ways of working (McGrogan, Debaleena) **7:24-26**

From hospital to home (Arnold, Janice) **3:28-30**

Introducing occupational therapy to a nursing home (Bolton, Catherine) **3:44-45**

Occupational participation in older people (Ridout, Alicia) **8:31**

Reducing behaviours that challenge (Denicola, Jessica) **1:18-20**

Weekday Wow Factor (Sallis, Pasna) **1:16-17**

### **Oncology**

Stepping out of the bubble (Harris, Ilana and Belancic, Maja) **7:42-44**

What a difference one email can make (Davies, Lucy; Jones, Kat; Page, Sarah; Wynn, Rachel) **2:30-31**

### **Open Dialogue**

An alternative system of care? (Carr, Angiolina) **3:40-42**

## **P**

---

### **Pain management**

Time to get serious about chronic pain (Jefferies, Samantha) **6:40-41**

Working together and making a difference (Davies, Alison) **8:38-40**

### **Palliative care**

What a difference one email can make (Davies, Lucy; Jones, Kat; Page, Sarah; Wynn, Rachel) **2:30-31**

### **Parkrun**

A runaway success (Graham, Paul) **4:20-22**

### **Patient engagement**

Listening to our patients' voices (O'Herlihy, Claire; Pitts, Deborah; Turner, Karen) **5:16-18**

The benefits of patient engagement in designing and improving healthcare services (Tremayne-Ward, Liz) **11:32-34**

### **Performance**

Performance guidance within a social care occupational therapy service (Cooke, Gill and Ruston, Cathrine) **8:24-26**

### **PhD study**

Clinician to researcher: reflections on a journey (Noonan, Miriam) **6:50-51**

Finding and funding a PhD (Ward, Gillian and Whitehead, Phillip) **3:50-52**

### **Play**

Normalising play for children with cancer in hospital (Pessoa Silva, Maria Denise; Payne, Michelle; Rawlinson, Deborah; Edwards Lesley) **5:34-36**

### **Poetry**

Does it have to rhyme? (Short, Chris) **8:46-47**

### **Politics**

The arts: health effects (Parsonage, Jackie) **2:25**

### **Practice guidelines**

Improving services; capitalising on RCOT guidelines (Ward, Gillian and Roberts, Julia) **12:52-54**

### **Practice placements**

Adapting the CLiP model for occupational therapy (Thomas, Yvonne; Heaslop, Annabel; Phillips, Beverly; Chapman, Rachel) **9:32-35**

### **Preceptorship**

A year-long journey (Thompson, Alexandra and Cleminson, Lynn) **4:26-27**

Improving the preceptorship experience (Styles, Gemma) **3:16-18**

### **Prevention**

Prevent, reduce and delay – a new approach in adult social care (Bolger, Muireann) **5:20-22**

Prevention and early intervention (Gasson, Sandra) **12:30-31**

### **Primary care**

Making a contribution – occupational therapy in primary care (Shah-Hall, Mark and Clarke, Lucy) **8:18-20**

Primary care – why the push from RCOT? (Orman, Karin) **11:20-22**

### **Professional development**

What a difference one email can make (Davies, Lucy; Jones, Kat; Page, Sarah; Wynn, Rachel) **2:30-31**

### **Promoting the profession**

What a difference one email can make (Davies, Lucy; Jones, Kat; Page, Sarah; Wynn, Rachel) **2:30-31**

### **Public health**

Closer working with the Fire and Rescue Service in Cleveland (Coates, Mark and Turton, Dave) **3:20-21**

Making every contact count (Hogan,

Linda) **9:16-17**  
Promoting occupational therapy in the third sector (Chisman, Ellen) **3:36-38**  
Weekday Wow Factor (Sallis, Pasna) **1:16-17**

### **Pulmonary rehabilitation**

Slow and steady wins the race (Murphy, Abbey) **8:50-52**

## **Q**

---

### **Quality improvement**

Quality improvement in acute mental health (Steede, Kevin) **12:28-29**

## **R**

---

### **Rapid response**

An occupational therapist's role in rapid response (Bowns, Joanna) **1:26-27**

### **Reablement**

Crossing professional boundaries and creating new ways of working (McGrogan, Debaleena) **7:24-26**

### **Reading skills**

Reading for wellbeing in forensic services: Getting it 'just right' (Young, Catherine and Marshall, Alison) **6:28-30**

### **Recovery**

Facilitating recovery through a ward development project (Lilley, Hannah) **6:38-39**

PJs say you are unwell, clothes say you are getting better (Jones, Natalie) **6:18-19**

Recovery through activity in Cumbria (Cusick, Linda) **7:32-33**

Social flowering (Stiles, Sharon and Bolger, Mureann) **7:38-40**

### **Red2Green**

Reducing 'wasted time' in a patient's journey (Richards, Laura and Sharples, Jennifer) **6:21-23**

### **Reflective practice**

Expanding understanding (Walker, Graham) **10:32-33**

Reflection through poetry writing (Woods, Sandie) **3:22-23**

### **Refugees and asylum seekers**

A sense of identity (Araniti, Katerina) **2:46-47**

Engaging, involving and integrating refugees and asylum seekers in their new community (Odutayo, Toks) **2:42-44**

The value of enquiry based learning (Spalding, Nicola and North, Sophie) **4:16-18**

### **Rehabilitation**

Adopting enhanced recovery principles with cancer treatments (Fieldson, Helen) **12:44-45**

Does it have to rhyme? (Short, Chris) **8:46-47**

Making VR a reality **12:40**

### **Research and development**

A framework for mental health research – and occupational therapy research? (Smyth, Genevieve and Ward, Gillian) **3:48-49**

Being prepared to fail in order to succeed (Clark, Elspeth) **4:43-45**

Challenging thinking on current practice (Pentland, Duncan) **4:36**

Clinician to researcher: reflections on a journey (Noonan, Miriam) **6:50-51**

Dr Elizabeth Casson Memorial Lecture (Pollard, Nick) **4:37**

Finding and funding a PhD (Ward, Gillian and Whitehead, Phillip) **3:50-52**

Research: a team sport (Jones, Natalie and Evans, Laura) **7:46-46**

Supporting my occupational therapy research journey (Graham, Mandy) **12:42-43**

Supporting the development of a research-engaged culture (Otter, Paula) **4:46-48**

Working in research – a viable option for occupational therapists? (Naisbett-Jones, Solei and Bannigan, Katrina) **10:40-42**

### **Retirement**

Stepping into retirement (Sainty, Mandy) **2:28-29**

Where to now on this amazing journey? (Watson, Sheila) **10:50**

### **Risk**

No barriers, only opportunities (Price, Ryan) **11:28-30**

### **Role emerging placements**

A real case for occupational therapy (Armstrong, Shaun; Mildren, Sarah; Ramsay, Ellen) **5:50-51**

A sense of identity (Araniti, Katerina) **2:46-47**

Engaging, involving and integrating refugees and asylum seekers in their new community (Odutayo, Toks) **2:42-44**

Learning through experience (Djordjevic, Amy) **5:52-53**

Promoting occupational therapy in the third sector (Chisman, Ellen) **3:36-38**

## **S**

---

### **Schools**

Bridging the gap between generations (Boyd, Andrea) **3:32-34**

Fully integrating occupational therapy into a school environment (Worthington, Simon) **11:38-41**

### **Self-management**

Supporting people to self-manage (Cooper, Paul) **2:36-37**

### **Sensory processes**

Acting upon innovation (Rule, Rachel and Hedges-Stern, Jade) **1:32-33**

Celebrating SensationALL diversity (Burnett, Valery and Strachan, Suz) **8:22-23**

### **Service development**

Developing a service in a non-traditional setting (Bass, Kerry) **9:42-44**

Fully integrating occupational therapy into a school environment (Worthington, Simon) **11:38-41**

Improving energy and wellbeing (Hill, Fran) **11:46-47**

### **Service evaluation**

Moving forward with the times (Watson, Rachele and Goddard, Rebecca) **9:22-23**

### **Service improvement**

Adopting enhanced recovery principles with cancer treatments (Fieldson, Helen) **12:44-45**

Crossing professional boundaries and creating new ways of working (McGrogan, Debaleena) **7:24-26**

Keep calm and make change (Plant, Samantha) **9:18-20**

Moving forward with the times (Watson, Rachele and Goddard, Rebecca) **9:22-23**

Quality improvement in acute mental health (Steede, Kevin) **12:28-29**

Reducing 'wasted time' in a patient's journey (Richards, Laura and Sharples, Jennifer) **6:21-23**

Where better never stops (Loreyna, Rhona) **4:40-42**

### **SMART Cranleigh**

Creating a compassionate community (Hurtley, Rosemary) **2:32-34**

## Social care

Prevent, reduce and delay – a new approach in adult social care (Bolger, Muireann) **5:20-22**

## Social inclusion

Social flowering (Stiles, Sharon and Bolger, Muireann) **7:38-40**

## Social isolation

The journey of the 'Meet and Eat' group (Veringa, Shelley) **11:51**

## Social media

A stroke of insight (Chung, Charlie and Murray, Kelly) **1:30**

## Social prescribing

A runaway success (Graham, Paul) **4:20-22**

Beats any drug that the doctors can give you (Cooper, Paul) **8:16-17**

## Special Education Needs

Fully integrating occupational therapy into a school environment (Worthington, Simon) **11:38-41**

## Spinal cord injury

Be active, be the best (Lavery, Carmel) **8:32-33**

## Storytelling

Storytelling for health and wellbeing (Ward, Alison and Brear, Jan) **3:24-26**

## Stroke services

Creating music to facilitate recovery after stroke (Nicholson, Clare) **7:34-36**

Influencing and improving patient flow (Singleton, Janette and Johnson, Janet) **8:36**

The benefits of patient engagement in designing and improving healthcare services (Tremayne-Ward, Liz) **11:32-34**

## Student education

A collaboration between education and industry (Bolger, Muireann) **7:28-30**

A real case for occupational therapy (Armstrong, Shaun; Mildren, Sarah; Ramsay, Ellen) **5:50-51**

A series of firsts (Bradley, Gemma) **7:52-53**

Adapting the CLiP model for occupational therapy (Thomas, Yvonne; Heaslop, Annabel; Philips, Beverly; Chapman, Rachel) **9:32-35**

An honorary contract to enhance occupational therapy student education (Coates, Jackie and

Stadden, Hannah) **1:34-36**

Building resilience through mindfulness (Hatley, Leonora) **8:48-49**

Environmental design and dementia (Simpson, Claire; Stratton, Louise; Spencer, Sarah) **12:32-33**

Hawkins, Camilla **12:20-22**

Keeping the focus on occupation (Singh Uppal, Jaspreet) **11:48-50**

Occupational-therapy run family-focused interventions (Ward, Bethan) **6:36-37**

Promoting student employability (Barnes Brown, Vikki; Fitzsimons, Karen; Higginson, Michaela) **1:38-39**

Slow and steady wins the race (Murphy, Abbey) **8:50-52**

Spotlight on learning (Gell, Daisy) **5:49**

Taking up CPD opportunities (Chisman, Ellen) **11:54-55**

## Sustainability and Transformation

### Plans

Leading sustainability and transformation in Leeds (Brooks, Rob; Matson, Clare; Drake, Maureen; Ward, Liz; Griffiths, Alison; Sterling, Denise; Trevett, Marie-Clare) **4:56-57**

## T

### Technology enabled care

Be at the vanguard of the independent living movement (Burstow, Paul) **4:37**

Technology as an enabler for living life (Cooper, Paul and Ward, Gillian) **4:28-30**

### Tools

Bridging the gap between generations (Boyd, Andrea) **3:32-34**

### Transfer to Assess

From hospital to home (Arnold, Janice) **3:28-30**

### Transformation

A chance to spread the word about the transforming care programme (James, Ray) **4:38**

Prevent, reduce and delay – a new approach in adult social care (Bolger, Muireann) **5:20-22**

### Trauma

Saving lives, giving life back (Tester, Claire; Gilhooly, Alison; Greenstreet, Wendy) **10:22-23**

The therapeutic use of group work in major trauma rehabilitation (Welford, Jenny) **1:40-41**

## Trusted assessors

From hospital to home (Arnold, Janice) **3:28-30**

Influencing and improving patient flow (Singleton, Janette and Johnson, Janet) **8:36**

## U

### Urgent care

An occupational therapist's role in rapid response (Bowns, Joanna) **1:26-27**

## V

### Virtual learning

Learning together (Tempest, Stephanie and Bell, Kim) **5:14-15**

### Virtual reality

Making VR a reality **12:40**

### Vestibular rehabilitation

Vestibular rehabilitation - an emerging role for occupational therapists? (Kus, Emma and Timmons, Alex) **9:28-30**

### Volunteering

A 'life-changing' experience (Hall, Laura) **7:54-55**

A truly all-inclusive holiday (Pedley-Clues, Hayley) **10:46-47**

Acting upon innovation (Rule, Rachel and Hedges-Stern, Jade) **1:32-33**

An honorary contract to enhance occupational therapy student education (Coates, Jackie and Stadden, Hannah) **1:34-36**

Archaeology as a meaningful occupation for military personnel (Carvell, Katie) **9:24-26**

Lest we forget... (Rugg, Sue) **11:16-18**

Who benefits from international volunteering? (Swinburne, Jessie) **2:40-41**

### Vona du Toit Model of Creative Ability

A new way of working (Lawrence, Joanna and Baker, Sam) **6:32-34**

Affecting positive culture change (Mickel, Andrew) **11:35**

## W

### Wellbeing

Promoting occupational therapy in the third sector (Chisman, Ellen) **3:36-38**

### 'What Matters to You' movement

Listening to our patients' voices (O'Herlihy, Claire; Pitts, Deborah; Turner, Karen) **5:16-18**

**Work**

The challenges facing older workers  
(Traherne-Walker, Annette) **4:24-26**

**Workforce planning**

Workforce planning challenges  
(Mortimer, Danny) **4:32-34**

**World Federation of Occupational  
Therapists**

Connecting together to increase  
learning (Walker, Charlotte) **10:48-49**  
Occupational participation in older  
people (Ridout, Alicia) **8:31**

**Writing skills**

Does it have to rhyme? (Short, Chris)  
**8:46-47**  
Feeling the fear and taking the plunge  
(White, Rachel) **10:28-30**  
Little Scribblers (Louden, Fiona)  
**5:38-40**

### Accessibility

Impey launches a technical specification guide for healthcare installations **2:54**

### Accident and emergency (A&E)

New report reveals increased emergency hospital admissions include a high number of avoidable cases **4:10**

New service helps people avoid a hospital stay **2:9**

### Accreditation

Nice renews accreditation of RCOT practice guideline development process **1:42**

### Acquired brain injury

RCOT supports rehabilitation prescription campaign **6:10**

### Acute care

RCOT launches new leaflet at the King's Fund annual conference **1:8**

### Adaptations

Improve home adaptations systems to help people stay at home, advises report **10:10**

### Adult social care

LGA launches its own green paper, as adult social care reaches breaking point **9:8**

### Advanced clinical practice

Advanced practice occupational therapists urged to join new network **11:7**

New briefing from RCOT joins flurry of ACP activity **12:11**

### Allied health professions

OTs celebrate inaugural AHPs Day **11:6**

### Alzheimer's

Prosthetic memory implant could improve memory **5:12**

### Apprenticeships

Level 7 Advanced Clinical Practitioner apprenticeship standard approved in England **4:9**

OT apprenticeships await approval **10:8**

### Approved mental health practitioner

New research reveals failure to boost number of occupational therapists in the role of approved mental health professional **3:10**

### Apps

New NHS guidance on instant messaging in emergencies **12:12**

Use apps to help users – but pick carefully, says report **10:10**

Using technology to fight Parkinson's: first dedicated apps and devices library launched **11:58**

### Arts and crafts

Inspiring artwork project celebrates the role of occupational therapy during the First World War **7:8**

Occupational therapist delivers exhibition of artwork by mental health patients **3:10**

Occupational therapists join mass celebration of women's suffrage **8:8**

Recently qualified occupational therapist earns plaudits for play about career change and IVF **4:11**

### Assistive technology

New report urges capitalisation of assistive technology to close employment gap **5:12**

Report brings together key research on assistive technology **12:57**

### Autism

High quality autism education training set to reach more children **8:8**

Prioritising autism services in Wales could divert resources from other areas, warns RCOT **11:8**

### Automation

Embrace automation in the NHS and social care, says Lord Darzi **7:7**

### Awards

AHP support Worker of the Year announced **8:11**

Announcement of the recipients of 2018's RCOT Awards for Education, Research and Continuing Professional Development **3:55**

Could you win a NICE into Action Award? **2:6**

Dementia specialist wins award **8:11**  
Enter the WFNR Franz Gerstenbrand

Award **5:7**

Nominate a health hero working in Ayreshire **4:8**

Occupational therapist is highly commended in newly-launched awards **5:10**

Occupational therapists among winners of NI Advancing Healthcare Awards **12:11**

Occupational therapy-founded Sport for Confidence recognised by ukactive **8:10**

Remap awards recognise bespoke equipment needs **8:12**

Student committee recognised in national awards **2:10**

UKOTRF Early Researcher Award 2018 announced **8:12**

University society's success at student awards **8:10**

Yorkshire Fatigue Clinic recognised for exceptional service by local Healthwatch **9:10**

## B

---

### Bursaries

NHS bursaries to continue in Wales **5:11**

## C

---

### Care and Repair

Multi-million pound funding announced to support older people to live at home in Wales **8:9**

### Care Quality Commission

Occupational therapy services praised in CQC report **6:15**

### Case management

Company founded by occupational therapist is lauded by parliamentary review **3:9**

### Children's services

Belfast school becomes first in Northern Ireland to hire an occupational therapist **3:11**

### Chronic pain

Occupational therapists highlight potential link between change in childhood pastimes and children's development **3:8**

Wavertree MP visits Walton chronic pain occupational therapists **9:15**

## Clinical academic research

New report identifies barriers and opportunities for developing AHP clinical academic research careers **9:6**

## Cognitive rehabilitation

Scotland's first mobile application to help support good practice in cognitive rehabilitation in dementia **1:10**

## Communication skills

Occupational therapy-run social enterprise shows innovative communication skills to royal couple **2:10**

## Community health

Coast to coast cycle for mental health **8:7**

NHS England hunt for community healthcare currency test sites **12:10**

## Complexity

Occupational therapy and complexity: defining and describing practice set to publish soon **4:51**

## D

---

### Dementia care

Dementia friendly walking given funding boost **12:16**

New plan to transform dementia care is launched in Wales and includes AHP lead post **3:13**

Occupational therapist calls for revolution in dementia care **5:9**

Occupational therapists in Wales bring a personal touch to dementia patients' care **6:8**

RCOT to launch new CPD course to mark Dementia Awareness Week **5:12**

Relaunch for dementia-friendly hospitals charter **10:7**

Scotland's first dementia friendly park opens in Stirling **7:11**

Scotland's first mobile application to help support good practice in cognitive rehabilitation in dementia **1:10**

Spotlight on delirium suggests screening in hospitals needs improvement **9:7**

## Digital innovation

New NHS guidance on instant messaging in emergencies **12:12**

## Disability sport

New guide to support the use of boccia as an assessment and intervention tool **4:52**

Occupational therapist develops award-winning mental health football team project **3:6**

Royal visit for occupational therapy-led sports project **12:10**

## Discharge

Care sector saves NHS £60 million with improved discharge **10:6**

New report highlights key steps to help people move out of long-stay inpatient care **7:10**

Occupational therapists 'under utilised' in Welsh discharge practices, says report **10:7**

Use OTs to relieve hospital delays, says CQC chief executive **11:6**

## E

---

### Early intervention

Prioritise prevention and early intervention in mental health services, says new RCOT report **5:10**

### Education and training

£12 million boost for health professionals' training and education in Wales **1:10**

Applications invited for funding from the Constance Owens Trust **6:15**

Derby University celebrates 70 years of occupational therapy education **6:15**

New campaign launched to boost entry to nursing and AHP professions **6:14**

UK's first occupational therapy integrated masters launches in Aberdeen **10:8**

### Employment

Occupational therapy sits in top 10 degree subjects for future job prospects **9:6**

### End PJ Paralysis campaign

Occupational therapists help patients to 'Get Up, Get Dressed' **2:7**

### Expert witness

RCOT launches second edition of expert witness for occupational therapists guidelines **10:54**

## F

---

### Falls

Falls pathway launches first training session in Northern Ireland **12:11**

Figures reveal stark rise in the mortality of elderly patients after falls **5:9**

Innovative falls response service celebrated on influential news programme **6:13**

LGA calls for more funding to prevent rise in falls **4:14**

Number of falls in care drop **10:6**

### Fellowships

Nice recruits to its fellows and scholars schemes **10:56**

Occupational therapist wins prestigious NIHR Fellowship **2:8**

RCOT fellowship award is given for outstanding contribution to neonatology **2:6**

Sheffield occupational therapists receive HEE fellowships **8:8**

THIS Institute calls for applications for post-doctoral fellowships **6:11**

### Fire and Rescue Service

Closer working planned for occupational therapy and fire services **11:9**

Why we should all partner up with the Fire and Rescue Services **2:54**

### Flu jabs

### Funding

Mental health and social care Budget boosts not enough, warns health experts **11:13**

## H

---

### Health and Care Professions Council

HCPC registration fees could jump to £106 **10:8**

Unison opposes HCPC registration fee increase **12:17**

### Health and Work Champions

First findings from Health and Work Champions project demonstrate excellent results **7:7**

### Health Education England

Health Education England calls for evidence on older people's mental health **3:9**

### Hip and knee replacement

Revised total hip replacement guideline **1:42**

## History of the profession

Celebrating 80 years of occupational therapy education in Scotland **3:54**

## Honours

Housing peer award for Paraig O'Brien **12:16**

Inspirational occupational therapist is awarded an OBE **7:11**

## Horticultural therapy

Horticultural charity helps more people with mental health issues into work **3:7**
