

Explanatory note: references all refer to volume 24, and individually list the issue and page, for example, 1:2 refers to volume 24, issue one (January), page two. Authors are given where available.

Feature, Reports and Profiles Indexed by key words

Indexed by key words

A

Accident and emergency

- On the frontline (Williams, Helen) **10:30-31**
- Reducing the pressure on hospitals (Bidwell, Bronwyn) **11:16-19**
- Reducing the pressure on hospitals: commend it, use it and take it forward (Samuels, Tracey) **12:14-17**

Activity co-ordinators

- Occupational therapy-led supervision (Smith, Amy) **11:44**
- The best kind of therapy? (Saunders, Lauren) **2:36-37**

Acute care

- A new way of communication (Bunting, Joanne) **10:42-43**

Adaptations

- All aboard the bathing bus (Hawes, Doug and Meredith, Julia) **10:20-22**
- Remap – making things possible (Martin, David) **9:36-37**

Adoption

- Supporting adoptive families (Stephens, Ruth) **9:26-27**

Ageing

- Helping people to 'age in place' (Runnalls, Jacquel) **5:39**

Animal assisted therapy

- Pets are therapy (Ward, Louise) **2:29**
- Understanding the power of tea (Bidwell, Bronwyn) **12:18-19**

AMPS

- AMPS training needs in NHS Grampian (Berry, Jackie) **10:37**

Art therapy

- An occupational therapist's dream (Ramsell, Eleanor) **11:46**

Assessment tools

- AMPS training needs in NHS Grampian (Berry, Jackie) **10:37**
- Embedding MOHO into practice (McNeill, Esther and Somerville, Irene) **10:38-39**

AusTOMs-OT

- Say it, do it, show it, prove it (Livesey, Caroline and Crosbie, Victoria) **12:26-27**

B

Bariatrics

- Raising funds for a bariatric suit (Ramsay, Ellen) **12:33**

Brain injury

- Brain injury: from cell to society (Pascoe, Anita) **7:37-39**

Creating an age appropriate therapeutic network (Price, Ryan) **9:16-17**
Getting a seat at the table (Fletcher-Smith, Joanne and Wales, Lorna) **8:38-39**
Keeping up with technology (Buckle, Clara) **10:24-26**
Managing fatigue levels to achieve vocational goals (Marsland, Janette) **5:43**

C

CAMHS

Exploring and applying evidence based practice (Carroll, Hannah) **10:52-53**
Strengthening human diversity (Garwood, Geraldine and Omar, Hussein) **2:24-25**

CanChild

An occupational lens into the classroom (Burrough, Melanie) **6:24-26**

Cancer care

Widening the occupational therapy role (Wassell, Luke and Conway, Joanne) **2:30-31**

Cardiac rehabilitation

Occupational therapists working with the heart (Aindow, Jenny) **7:40-41**

Care Act (England)

Introducing self-assessment to improve wellbeing (Burden, Rachel; Diaz-Cala, Alicia; Davey, Siobhan; Murphy, Hannah; Terzoli, Claudio; and Treers, Katie) **5:32-33**

Care homes

Reviewing the impact of the activity in care homes toolkit (Orman, Karin) **5:44-45**

Care pathways

Making best use of collective skills (Dryburgh, Karen, Smith, Liz and Braid, Margaret) **5:42**
Sharing information throughout a patient's pathway (McSweeney, Cait; Barkworth, Deborah; Egan, Laura; and Hedley, Nicola) **4:33**

Care plans

Personally written care plans (Alexander, Sophie) **10:28-29**

Careers

A clinician and researcher: the best of both worlds (Sainty, Mandy) **3:32-33**
A life-changing event (Bridges, Lorraine) **2:18**
Achieving the ultimate goal (Miller, Leanne) **5:26-27**
Excuse me, sister (Cross, Rhian) **2:20-21**
Going 'back to school' to promote the profession as a career (Hewitt, Carrie) **12:32**
Not just ticking a box (Smyth, Julia) **7:34-35**
OTs from around the country pull together to

promote occupational therapy as a career **12:31**

Promoting the profession as a career (Lowes, Sylvia) **11:50**

Set sail on a research journey (Sainty, Mandy) **5:28-29**

Small animal rehabilitation: a new avenue for one occupational therapist (Bruder, Melanie) **8:44-45**

The transition from clinician to academic (Fielden, Kelly) **12:36-37**

Carer support

Oceans of time (Russell, Marcelline) **8:25**

Children and young people

A collaborative approach to functional therapy (Massey, Jill and Diedrick, Laura) **6:28-30**

A complex and challenging role (Reid, Susie) **9:40-42**

A schools-based model of occupational therapy delivery (Read, Lynley) **1:28-30**

An occupational lens into the classroom (Burrough, Melanie) **6:24-26**

Bringing occupational therapy into the 'first 1,000 days' (Gilmour, Kirsty and Worship, Liezl) **9:38**

CountMeIn! (Wales, Lorna and Killeen, Hazel) **10:49**

Supporting adoptive families (Stephens, Ruth) **9:26-27**

Chronic fatigue syndrome

Overcoming the hurdles (Horne, Sarah) **6:49**

Combat Stress

Supporting resilience and recovery (Watson, Lee) **9:34-35**

Community services

Implementing a de-sensitisation plan (Pow, Charlotte and Marriot, Kate) **12:20-21**

Compassion focused therapy

Time to pause (Martin, Lesley and Heneghan, Cara) **9:28-29**

Conferences and events

Occupational therapists celebrate their achievements with inaugural conference (Hadayah, Alex) **12:33**

Continuing professional development (CPD)

A 'Devocean' to duty **7:25**
Are we using our skills to full potential? (Jackson, Rachel) **9:18**
How 'HCPC ready' are you? (Ellis, Yvonne) **9:20**
Occupational therapy-led supervision (Smith, Amy) **11:44**
Practice placement education: the ultimate CPD learning opportunity (Ellison, Diane and

Tempest, Stephanie) **10:40-41**
The changing face of CPD? (Tempest, Stephanie) **5:38**
Time to get personal – (re)claiming CPD as a reflective mind-set (Tempest, Stephanie and Parker, Zoe) **6:32-33**

COTEC

Making connections, forging opportunities (Hawksworth, Thomas, Burwash, Susan and Brawley, Shannon) **10:50-51**

D

Dark occupations

Students at Brunel debate 'dark occupations' as part of Occupational Therapy Week **12:34**

Deaf services

Strengthening human diversity (Garwood, Geraldine and Omar, Hussein) **2:24-25**

Debating

A 'Devocean' to duty **7:25**

Dementia care

An individualised approach to dementia care (McLening, Bryony) **8:26-27**
Helping people with dementia get their 'va va voom' back (McGrath, Mary) **11:40-41**
Oceans of time (Russell, Marcelline) **8:25**
Recruiting high school students as dementia friends (Duncan, Hazel and Braid, Mig) **12:41**
When two worlds collide (Hooper, Emma, Talbot, Emma and Winson, Rachel) **2:28-29**

Developmental co-ordination disorder

Meeting children's occupational goals (Kingsley, Fiona) **9:12-14**

Devolution

Devolved elections (Brennan, Sharon) **3:28-31**

Disability sport

Are we using our skills to full potential? (Jackson, Rachel) **9:18**
Creating an age appropriate therapeutic network (Price, Ryan) **9:16-17**
Meeting children's occupational goals (Kingsley, Fiona) **9:12-14**

Disabled Facilities Grant

Are you a DFG champion? (Rushton, Helen and Cooper, Paul) **12:51**

Discharge planning

A new way of communication (Bunting, Joanne) **10:42-43**
Supporting the transition from hospital to home (McLening, Bryony) **8:27**

Diverse roles

Staying connected (Rolfe, Gill) **12:48-49**
Occupational therapists working in diverse settings (Clarke, Channine) **11:50**

Domestic abuse

Transforming lives together (Simons, Sara) **4:44**

E

Early intervention

A therapist in a nurse-led team (Davis, Sally) **1:31**

Eating disorders

No stone left unturned (Tully, Laura) **3:42-43**
Occupational engagement and participation (Seymour, Alison) **12:22-24**

Ecotherapy

Supporting resilience and recovery (Watson, Lee) **9:34-35**

Education

An inter-professional learning approach (Brown, Lisa) **7:24-25**
Making connections, forging opportunities (Hawksworth, Thomas, Burwash, Susan and Brawley, Shannon) **10:50-51**
OT education: 2017 and beyond (Griffiths, Sue) **6:27**
Planning and implementing a spiral curriculum (Yazdani, Farzaneh) **7:31-33**
The future of occupational therapy education – 2017 and beyond (Skelton, Julia) **4:36**

Emergency services

On the frontline (Williams, Helen) **10:30-31**

Emerging roles

Staying connected (Rolfe, Gill) **12:48-49**

Employment

Early intervention in employment support (Vallom, Jo) **7:20-21**
Working to better mental health (Colston, Hilary) **7:18-19**

ENOTHE

Making connections, forging opportunities (Hawksworth, Thomas, Burwash, Susan and Brawley, Shannon) **10:50-51**

Entrepreneurs

Occupational therapists as 'dragons' (Thew, Miranda) **12:42-44**
Developments in adaptive clothing (Samuels, Tracey) **4:37**

Equipment

All aboard the bathing bus (Hawes, Doug and Meredith, Julia) **10:20-22**

Remap – making things possible (Martin, David) **9:36-37**

Starting from scratch (Davies, Sarah) **2:42**

Extended scope practice

Finding new ways of working (Hunter, Ruth and Sproule, Anne) **4:46**
Getting the balance right (Morley, Mary and Rimmer, Debbie) **3:34-35**

F

Fatigue management

Managing fatigue levels to achieve vocational goals (Marsland, Janette) **5:43**

Flexible working

Getting the balance right (Morley, Mary and Rimmer, Debbie) **3:34-35**

Food and cooking groups

Eating socially: an opportunity for rehabilitation in a stroke unit (Plumb, Bronwyn) **8:32-33**

Forensic services

Making meaningful beats (Nicol, Sophie) **8:34-35**
Offenders with personality disorder (Feighan, Mike and Nicklin, Emma) **6:21**
The Book Club (Tillbrook, Emma) **6:46**

G

GP services

Working collaboratively in a rural General Practice (Walker, Karen and Laugharne, Louise) **12:38-40**

Group intervention

An enterprising approach to group work (Hill, Jessica and Morrey, Sarah) **7:28-30**
Getting together for group work (Cronin, Helen; Dingwall, Hannah; Dunne, Michelle; and Verner, Andrew) **8:28-30**
Next Steps: a collaborative recovery oriented group (Cartmell, John, Millington, Hazel and Warman-Bennett, Amanda) **8:36-37**

H

Health and Care Professions Council audit

How 'HCPC ready' are you? (Ellis, Yvonne) **9:20**

Hip and knee replacements

The rise and rise of hip and knee replacements (Coole, Carol, Nouri, Fiona and Drummond, Avril) **12:28-19**

Holistic health

The best kind of therapy? (Saunders, Lauren) **2:36-37**

Homelessness

An enterprising approach to group work (Hill, Jessica and Morrey, Sarah) **7:28-30**
Understanding the power of tea (Bidwell, Bronwyn) **12:18-19**

Horticultural therapy

A garden oasis (Tuffin, Julie) **6:44**
Promoting sustainability through social and therapeutic horticulture (Young, Sarah and Rose, Jason) **3:40-41**
Providing independence and responsibility through horticulture (Butler, Fiona) **6:45**

Hospitals

Occupational therapy: Improving Lives, Saving Money campaign **10:47**
Reducing the pressure on hospitals (Bidwell, Bronwyn) **11:16-19**
Reducing the pressure on hospitals: commend it, use it and take it forward (Samuels, Tracey) **12:14-17**

Housing

Behind the scenes: raising the profile of occupational therapy (Gaffney, Jo and Trevorrow, Jane) **1:26-27**
Helping people to 'age in place' (Runnalls, Jacquiel) **5:39**

I

Inclusive design

Developments in adaptive clothing (Samuels, Tracey) **4:37**

Independent living

Activity and wellbeing services (Coates, Mark and Etherington, Belinda) **1:34-35**
The journey to independent living (Coates, Mark and Cunningham, Linda) **1:36**

Inappropriate sexual behaviour

A complex and challenging role (Reid, Susie) **9:40-42**

Information and communication technology

Project Phineas: a new digital strategy for COT (Maclean, Ryan) **5:24-25**

Integration

Embracing our dual training (Smyth, Genevieve) **3:22-23**

Intensive home treatment

Evaluating the impact of occupational therapy in an intensive home treatment team (Martin, Claire and McIntosh, Catherine) **12:25**

International initiatives

An enriching experience (Gwynn-Thomas, Ruth) **8:49**

Colombia: celebrating 50 years of occupational therapy (Pollard, Nick) **5:35-36**
Developing a sustainable international partnership (Parker, Janet, Langan, Anne Marie and Slujski, Lidija) **8:50-51**
Starting from scratch (Davies, Sarah) **2:42**

Intervention mapping

The rise and rise of hip and knee replacements (Coole, Carol, Nouri, Fiona and Drummond, Avril) **12:28-19**

L

Learning disability

Implementing a de-sensitisation plan (Pow, Charlotte and Marriot, Kate) **12:20-21**
Know your PLACE? (Ramsey, Diana) **1:32-33**
Promoting personhood and citizenship (Haythorne, Rebecca) **2:34**

Leisure activities

Promoting new and different active leisure occupations (Bayes, Victoria and Donaghue, Laura) **4:42-43**

M

Memory clinic

Helping people with dementia get their 'va va voom' back (McGrath, Mary) **11:40-41**

Mental health

A focus on recovery (Walker, Graham) **11:20-22**
Developing recovery promoting competencies for staff (Lawson, Sally and Cartwright, Jake) **11:34-35**
Embracing our dual training (Smyth, Genevieve) **3:22-23**
Employ your mind (Clark, Norma and Davidson, Inga) **3:26-27**
Evaluating the impact of occupational therapy in an intensive home treatment team (Martin, Claire and McIntosh, Catherine) **12:25**
Getting together for group work (Cronin, Helen; Dingwall, Hannah; Dunne, Michelle; and Verner, Andrew) **8:28-30**
How music matters (Beck, Kathryn and Harkin, Emma) **5:40-41**
Making the case for occupational therapy (Heasman, David, Morley, Mary and Rowling, Charles) **11:26-27**
Next Steps: a collaborative recovery oriented group (Cartmell, John, Millington, Hazel and Warman-Bennett, Amanda) **8:36-37**
Promoting new and different active leisure occupations (Bayes, Victoria and Donaghue, Laura) **4:42-43**
Promoting recovery through occupational therapy (Stewart, Louise, Reece, Katrina and Shenfield, Megan) **11:31-33**
Putting citizens at the centre of service delivery

(Harding, Keir and Lewis, Carmen) **11:38-39**
Should occupational therapists be trained to talk about suicide? (Bergson, Katy) **9:25**
Time to pause (Martin, Lesley and Heneghan, Cara) **9:28-29**

Military rehabilitation

Occupational therapy, resilience and growth from trauma (Murtagh, David) **9:30-32**
Supporting resilience and recovery (Watson, Lee) **9:34-35**

MOHO

Embedding MOHO into practice (McNeill, Esther and Somerville, Irene) **10:38-39**

Multidisciplinary working

Alice's story (Chung, Charlie) **4:34-35**
Multidisciplinary working on a stroke unit (Hardie, Danielle) **12:25**

Music therapy

How music matters (Beck, Kathryn and Harkin, Emma) **5:40-41**
Making meaningful beats (Nicol, Sophie) **8:34-35**
The power of music and meaningful occupation (Keller, Leo (Helen)) **12:30**

N

Networking

Prison networking event hosted by COT **6:23**
What do members want from their regional networks? (Davies, Emma; Warren, Karen; Hutt Greenyer, Corinne; and Guest, Jenni) **7:48-50**

Neurodiversity

Neurodiverse and proud (Scott-Roberts, Sally) **1:40-41**

Neurological practice

Getting a seat at the table (Fletcher-Smith, Joanne and Wales, Lorna) **8:38-39**

O

Occupational deprivation

An occupational therapist's dream (Ramsell, Eleanor) **11:46**
Taking OT to refugees – the rewards and challenges (Bidwell, Bronwyn) **11:36-37**

Occupational health

The challenge of being a lone OT in occupational health (Nice, Deborah; Cookso, Kayley; Whittaker, Erica; Tomes, Helen) **10:48**

Outcome measure

Say it, do it, show it, prove it (Livesey, Caroline and Crosbie, Victoria) **12:26-27**

Outreach

Outreach support for acute spinal cord injury patients (Hills, Lynne) **10:44-45**
My journey (Ward, Rosanna) **10:46**

P

Pain management

OTs 'in pain' (Wilkinson, Paula) **4:40-41**

Participation

CountMeIn! (Wales, Lorna and Kileen, Hazel) **10:49**

Palliative care

SMARTER working for palliative care in the community (Razavi, Ceri and Gaylor, Marianne) **8:40-42**

Pebbles Project

Bringing occupational therapy into the 'first 1,000 days' (Gilmour, Kirsty and Worship, Liezl) **9:38**

Personality disorder

OT within an evolving prison environment (McDonall, Faye and Donovan, Jane) **6:18-20**
Personality disorder: not our business? (Berrigan, Hollie, Whyte, Tamar and Harding, Keir) **11:48-49**

Practice development units

Practice development units: A way to harness our potential? (Olive, Heather) **3:38-39**

Practice placements

A 'roller coaster ride' (Buckenham, Louise) **7:22-23**
An inter-professional learning approach (Brown, Lisa) **7:24-25**
Bringing personal experience to practice placements (Bidwell, Bronwyn) **9:39**
Empowerment: a route to occupational engagement (Clark, Charlotte and Bergson, Katy) **1:37**
Exploring and applying evidence based practice (Carroll, Hannah) **10:52-53**
OT for FE (Marga, Silda) **7:26-27**
Practice placement education: the ultimate CPD learning opportunity (Ellison, Diane and Tempest, Stephanie) **10:40-41**
Promoting personhood and citizenship (Haythorne, Rebecca) **2:34**
The quest for professional identity (Davies, Tracy) **2:32-33**
Transforming lives together (Simons, Sara) **4:44**
Widening the occupational therapy role (Wassell, Luke and Conway, Joanne) **2:30-31**
Working collaboratively in a rural General Practice (Walker, Karen and Laugharne, Louise) **12:38-40**

Prescribing

Prescribing responsibilities (Orman, Karin) **6:28-39**

Prison services

And then there was OT (Wilson, Rob) **6:22-23**
Building occupational skills in the prison population (Brennan, Sharon) **6:14-16**
Offenders with personality disorder (Feighan, Mike and Nicklin, Emma) **6:21**
OT within an evolving prison environment (McDonall, Faye and Donovan, Jane) **6:18-20**
Prison networking event hosted by COT **6:23**
The challenge of stroke rehabilitation in a prison environment (Lacey, Rachel) **10:18-19**

Promoting the profession

A celebration of doing, being and becoming **12:34**
Collective influencing: how we set the scene to make an impact (McBean, Juliette) **3:36**
Going 'back to school' to promote the profession as a career (Hewitt, Carrie) **12:32**
Hammersmith and Fulham Mental Health Unit promotes the profession (Thompson, Alexandra) **12:31**
OTs from around the country pull together to promote occupational therapy as a career **12:31**
Promoting the profession as a career (Lowes, Sylvia) **11:50**
What does an occupational therapist do in an acute hospital? (Burke, Michael) **12:32**

R

Rapid response

A therapist in a nurse-led team (Davis, Sally) **1:31**

Recovery

A focus on recovery (Walker, Graham) **11:20-22**
Developing recovery promoting competencies for staff (Lawson, Sally and Cartwright, Jake) **11:34-35**
Next Steps: a collaborative recovery oriented group (Cartmell, John, Millington, Hazel and Warman-Bennett, Amanda) **8:36-37**
Promoting recovery through occupational therapy (Stewart, Louise, Reece, Katrina and Shenfield, Megan) **11:31-33**
Providing independence and responsibility through horticulture (Butler, Fiona) **6:45**

Regional groups

Have you ever considered volunteering? (Brennan, Sharon) **4:30-32**
What do members want from their regional networks? (Davies, Emma; Warren, Karen; Hutt Greenyer, Corinne; and Guest, Jenni) **7:48-50**

Resilience

Occupational therapy, resilience and growth from

trauma (Murtagh, David) **9:30-32**
Supporting resilience and recovery (Watson, Lee) **9:34-35**

Refugees

Taking OT to refugees – the rewards and challenges (Bidwell, Bronwyn) **11:36-37**

Rehabilitation

Excuse me, sister (Cross, Rhian) **2:20-21**

Research and development

A clinician and researcher: the best of both worlds (Sainty, Mandy) **3:32-33**
Achieving the ultimate goal (Miller, Leanne) **5:26-27**
Complex interventions; the latest thinking (Bannigan, Katrina, Birken, Mary and Hackett, Katie L) **2:22-21**
Developing research initiatives through partnership working (Harries, Priscilla) **8:48**
Getting a seat at the table (Fletcher-Smith, Joanne and Wales, Lorna) **8:38-39**
Growing collaborative research in occupational therapy (Jones, Natalie) **8:46-47**
Initiative, innovation and commitment: COT annual awards 2016 funding outcomes **4:26**
Insights into research impact (Sainty, Mandy) **9:48-50**
Neurodiverse and proud (Scott-Roberts, Sally) **1:40-41**
Not just ticking a box (Smyth, Julia) **7:34-35**
Overcoming the hurdles (Horne, Sarah) **6:49**
Promoting research: a central component of professional practice (Goodacre, Lynne and Hooper, Emma) **5:30**
Set sail on a research journey (Sainty, Mandy) **5:28-29**
When two worlds collide (Hooper, Emma, Talbot, Emma and Winson, Rachel) **2:28-29**

Rotational posts

The pros and cons of rotational posts (Morris, Stephanie and Fairfax, Christine) **11:24**

S

Sensory attachment intervention

Supporting adoptive families (Stephens, Ruth) **9:26-27**

Sensory processing

Allowing better outcomes for service users (Lashbrook, Emma, Stone, Laura, Smillie, Kirsty and Taylor, Fiona) **11:28-30**
An environment to self-modulate, relax and learn coping strategies? (Smith, Suzanne) **1:45**
Listening for participation (Streatfield, Yvonne; Haggas, Sarah; Wilson, Katy; and McAnuff, Jennifer) **1:42**
Occupational therapy support for children in mainstream schools (Burrough, Melanie) **1:43**

Working in partnership to support the best health outcomes for children (Simmonds, Amy-Jayne, Davies, Emma and Allen, Sue) **1:46**

Service evaluation

Making the case for occupational therapy (Heasman, David, Morley, Mary and Rowling, Charles) **11:26-27**
Promoting recovery through occupational therapy (Stewart, Louise, Reece, Katrina and Shenfield, Megan) **11:31-33**

Service improvement

Activity and wellbeing services (Coates, Mark and Etherington, Belinda) **1:34-35**
Making best use of collective skills (Dryburgh, Karen, Smith, Liz and Braid, Margaret) **5:42**
Practice development units: A way to harness our potential? (Olive, Heather) **3:38-39**
Removing blocks and developing practice (Rutherford, Claire) **11:42-43**
SMARTER working for palliative care in the community (Razavi, Ceri and Gaylor, Marianne) **8:40-42**
The journey to independent living (Coates, Mark and Cunningham, Linda) **1:36**
Trans-professional team working (Drake, Sally and Dickinson, Chantal) **7:14-16**

Service users

Alice's story (Chung, Charlie) **4:34-35**
Putting citizens at the centre of service delivery (Harding, Keir and Lewis, Carmen) **11:38-39**

Small animal rehabilitation

Small animal rehabilitation: a new avenue for one occupational therapist (Bruder, Melanie) **8:44-45**

Social media

Bringing personal experience to practice placements (Bidwell, Bronwyn) **9:39**
How effective is your social media profile? (Bannigan, Katrina) **1:24-25**

Specialist clothing

Developments in adaptive clothing (Samuels, Tracey) **4:37**

Speech and language therapy

A collaborative approach to functional therapy (Massey, Jill and Diedrick, Laura) **6:28-30**

Spinal cord injury

A garden oasis (Tuffin, Julie) **6:44**
My journey (Ward, Rosanna) **10:46**
Outreach support for acute spinal cord injury patients (Hills, Lynne) **10:44-45**

Spiral curriculum

Planning and implementing a spiral curriculum (Yazdani, Farzaneh) **7:31-33**

Stroke services

- Alice's story (Chung, Charlie) **4:34-35**
Delivering the right care to stroke patients (Clements, Karen and Drummond, Avril) **12:54**
Eating socially: an opportunity for rehabilitation in a stroke unit (Plumb, Bronwyn) **8:32-33**
Multidisciplinary working on a stroke unit (Hardie, Danielle) **12:25**
Sharing information throughout a patient's pathway (McSweeney, Cait; Barkworth, Deborah; Egan, Laura; and Hedley, Nicola) **4:33**
The challenge of stroke rehabilitation in a prison environment (Lacey, Rachel) **10:18-19**

Student education

- A novel partnership (Heron, Elizabeth) **1:38-39**
Occupational therapists as 'dragons' (Thew, Miranda) **12:42-44**

Supervision

- What's the impact? (Braid, Margaret and Clark, Norma) **10:32-34**

Suicide

- Should occupational therapists be trained to talk about suicide? (Bergson, Katy) **9:25**

Support workers

- Meeting with opportunity (Macdonald, Andrea) **2:26-27**

T

Task-based interventions

- Taking a task-based approach with adults (McEwan, Sara) **5:45**

Technology

- Keeping up with technology (Buckle, Clara) **10:24-26**

Trans-professional working

- Trans-professional team working (Drake, Sally and Dickinson, Chantal) **7:14-16**

Transitions

- The transition from clinician to academic (Fielden, Kelly) **12:36-37**

V

Volunteering

- Recruiting high school students as dementia friends (Duncan, Hazel and Braid, Mig) **12:41**
An enterprising approach to group work (Hill, Jessica and Morrey, Sarah) **7:28-30**
Have you ever considered volunteering? (Brennan, Sharon) **4:30-32**

W

Wellbeing

- Introducing self-assessment to improve wellbeing (Burden, Rachel; Diaz-Cala, Alicia; Davey,

- Siobhan; Murphy, Hannah; Terzoli, Claudio; and Treers, Katie) **5:32-33**
Perspectives on wellbeing (Abson, Deborah) **6:48**

Work

- Collective influencing: how we set the scene to make an impact (McBean, Juliette) **3:36**
Early intervention in employment support (Vallom, Jo) **7:20-21**
Employ your mind (Clark, Norma and Davidson, Inga) **3:26-27**
Gains on both sides (Widdowson, Vicky) **3:24**
Learning from unforeseen challenges (O'Hara, Su) **4:38-39**
Managing fatigue levels to achieve vocational goals (Marsland, Janette) **5:43**
Working to better mental health (Colston, Hilary) **7:18-19**

World Federation of Occupational Therapists

- An enriching experience (Gwynn-Thomas, Ruth) **8:49**
WFOT: representing the global occupational therapy community (Cox, Camilla and Scott, Julia) **5:34-35**

Y

Young offenders

- The quest for professional identity (Davies, Tracy) **2:32-3**

Author index

A

- Abson, Deborah **6:48**
Aindow, Jenny **7:40-41**
Alexander, Sophie **10:28-29**
Allen, Sue **1:46**

B

- Bannigan, Katrina **2:22-23; 1:24-25**
Barkworth, Deborah **4:33**
Bayes, Victoria **4:42-43**

Disability benefits

Disability assessment benefits not achieving value for money **2:6**

Disability sport

Prince Harry visits rugby rehabilitation centre **6:10**
Scheme encourages people with Down's Syndrome to play sport **10:12**

Disabled Facilities Grants

COT critical of DFG complaints review **5:8**
COT hosts disabled facilities grant summit **1:8**
COT meets with Department of Health to discuss DFGs **4:17**
Joint COT report on DFGs recommends standardised, integrated approach **3:14**
Third DFG question asked in parliament **6:9**

Discharge

Delayed hospital discharges up by almost a third **6:7**
Improvements in Welsh patient discharge rate **2:7**
NHS England report shows delayed discharges are on the rise **9:9**
Nice recommends creation of discharge co-ordinator position **1:10**
Poor discharge planning sees rise in complaints **6:6**

Discrimination

BME staff more likely to report discrimination **7:9**

E

Eating disorders

Leading eating disorder charity raises concerns over NHS treatment **10:12**

ebooks

Opportunity for COT members to choose their own ebooks **4:17**

Education

Axing student bursaries could deter many from taking up careers in the NHS **2:43**
Bursary debate **6:10**
Concerns raised over future occupational therapy numbers (Brennan, Sharon) **2:13**
COT responds to Department of Health's case for

education funding reform in England **7:11**
COT to support universities' transition to new funding arrangements **4:16**
Cuts to OT student places in England 'higher than originally promised' **7:8**
Freezing occupational therapy training places in Wales puts patients at risk **3:9**
HCPC cannot predict how bursary changes will impact AHP courses **6:8**
Join Unison's campaign to save the NHS bursary **3:18**
Look at the policy silences and make new alliances, OTs are urged **7:47**
Occupational therapy training places for England announced **1:13**
The evaluation of the Post Qualifying Framework has begun **7:54**

Electronic care records

Make it your aim to find out more about electronic record keeping **3:16**

End of life care

CQC finds minority groups receiving poorer end-of-life care **6:6**
New Nice guides on end of life care and independence in older age **1:11**

Equality

Government failing to offer equality to disabled people, new report claims **5:6**

Equipment provision

Southampton OT students help disabled school children **6:12**

Ethics

Conduct and ethics guide **8:10**

F

Falls

Essex initiative is helping reduce falls in nursing homes **12:10**
Occupational therapists urged to support scheme to help elderly people 'Stand up, Stay up' **8:8**
Pharmacists call for greater care home role to reduce falls **4:8**

Fellowships

COT announces 2016 Fellowships **2:44**

Female genital mutilation

COT advises on mandatory duty to report FGM **9:56**

Fitness to practise

Fitness to practise report **12:8**

Funding

NHS funding boost for Wales, Northern Ireland and Scotland **1:13**

G

Gender

Transgender report is 'salient call to occupational therapists' **10:9**

GP services

GPs to receive extra funding amid workforce and service redesign **5:13**
King's Fund calls for wider AHP primary care role to address GP growth crisis **6:9**

H

Health and Care Professions Council

HCPC updates standards of conduct to reflect need for transparency **2:10**

Hip and knee replacement

OTs and physiotherapists write and star in patient information videos **9:56**
Question marks over hip precautions and equipment **7:53**

Hip fracture

New report show quality of hip fracture care varies across the country **1:8**

HIV

New fund launched for innovative HIV prevention programme **6:13**

Housing

Construction Design Management Regulations (CDM) 2015 **10:7**
England and Scotland tell different accessible housing stories **2:6**
Inaugural GenHOME symposium **9:52**
Lack of accessible housing causes damage to people with spinal cord injury, report says **3:7**
New Northern Ireland initiative to help develop OT in housing in the country **7:8**
Occupational therapist recognised for tireless work in housing sector **12:11**

Human rights

Human rights in health and social care to be challenged by EHRC **6:13**

I

Improvement

Funds available to test innovative ideas **11:8**

Industrial action

Swansea occupational therapists win £5,000 rise in case that could pave the way for more action on pay **11:12**
Threat of strike action wins thousands of pounds for occupational therapists in Swansea **11:55**

Information and communication technology

Apps for carers and families **7:53**
Are you digitally literate? **5:17**
Controversial patient database scrapped **8:7**
I've got an App for that... **6:54**
Managing information – think it's not your business? **1:16**

Independent practice

Advice for independent OTs **7:10**

Innovation

Debate: 'This house believes evidence based practice stifles innovation' **7:46**
New Northern Ireland fund to encourage innovation **4:14**

Integration

CQC calls for better, more integrated care for people with complex health needs **8:13**
English health and care integration pilots are making use of OTs **3:6**
King's Fund says whole person approach is essential to healthcare integration **5:12**
Report highlights need for integration of physical and mental health care **9:53**
Service celebrates 10 years of team work **11:7**

L

Leadership

Now is the time to be proactive, says Darzi Fellow **11:12**
Stop managing and start achieving, CMI tells OTs **7:43**

Learning disabilities

CQC to investigate deaths of people with learning disability **5:6**
GPs urged to stop over-medication of people with a learning disability **7:9**
New online resource to help children with learning disabilities **5:6**

Legislation

New mental health legislation for Northern Ireland **10:8**

Lobbying

COT calls for political consensus ahead of Northern Ireland elections **2:16**
COT draws up election manifestos ahead of polling day in the nations **1:10**
COT members meet Assembly Members **10:10**
COT raises profile of OT among politicians in Northern Ireland **5:14**
COT stand attracts First Minister **4:16**
COT to respond to consultation into the sustainability of the NHS **8:8**
Julia Scott urges OTs to become more confident in HSI interview **4:16**

Occupational therapist 'speaks up' at conference
9:9

Local authorities

Wales to cut local authority numbers to save millions 1:6

Long-term conditions

Government services are failing people with long-term health conditions 3:11

M

Mental health

COT president opens 40th annual conference with plenary session on mental health issues 7:43

COT's mental health strategy 11:53

HCPC reviews AMHP programmes for quality 3:9

Independent review of mental health strategy in England overlooks OT 3:9

Mental health funding 11:6

Mental health pilot doubles numbers getting health checks 7:6

Mental health statistics 12:8

Occupational therapy shown to improve physical health of mental health patients 7:10

Project tackles health professionals' attitudes on mental health 9:10

School pilots launched to improve mental health services offered to pupils 1:12

Welsh consultation on mental health delivery plan 2:12

Mobility

Scottish Stroke Allied Health Professions Forum develops new driving guidelines 4:6

Motor Neurone Disease

New CPD resource on occupational therapy for people with Motor Neurone Disease 9:55

Multiple sclerosis

New Nice guidelines on MS recommends the use of OTs 2:8

N

Neonatal

Neonatal consultation alert 12:57

Neurology

Occupational therapists involved in new films that help promote the benefits of interventions 1:11

Nice guidelines

New guidance on harmful sexual behaviour 10:55

New Nice guidelines value OT across multiple specialities 4:10

New older people quality standard launched

10:55

New stroke guideline 10:55

NHS England

£2.45 billion deficit run up by NHS in England 6:11

New funds 9:8

NHS England asks local areas to work together to achieve financial sustainability 2:10

NHS England to develop AHP strategy 5:7

NHS England's business plan calls for accelerated change to meet budgets 5:10

Northern Ireland

COT gives its views on Northern Ireland government priorities 10:9

New Northern Ireland health minister sets out her priorities 7:7

New Opposition Act 7:10

Northern Ireland health minister unveils 10-year plan 11:8

O

Obesity

Childhood obesity strategy criticised for not going far enough 9:6

Government urged to publish long-awaited childhood obesity strategy 8:12

Tackling obesity 9:8

Older people

COT part of commission that urges focus on older people's goals 3:7

COT Specialist Section for Older People celebrates 21 years of innovation 1:19

Elderly people unlikely to complain about care for fear of worse treatment 2:7

New Nice guides on end of life care and independence in older age 1:11

Support to end loneliness in older people 12:8

Welsh frailty service sees hospital stays drop by average of 1.5 days 3:10

Outcome measures

Outcomes and record keeping – supporting professional practice 4:19

West Sussex OTs help develop PAL research 11:14

P

Pain management

New standards and COT event to support pain management 1:7

Parkinson's disease

COT challenges new research on occupational therapy for Parkinson's 2:12

Parkinson's audit result positive, but highlights room for improvement 9:7

Patient care

New paper details how NHS staff can work more closely with patients 8:6

Pay and conditions

It's time to talk about pay for OTs in the NHS 4:22

One per cent pay rise agreed for NHS staff 4:12

Pay update: 2016-17 settlement for NHS OTs 5:20

Pay update: 2016-18 settlement for local authority OTs 5:20

Personal budgets

Benefits of social care personal budget unknown despite being mandatory 4:11

Personal health budgets for wheelchair users in England 6:8

Pets as Therapy

Buddy the dog helps mental health patients 10:13

Prescribing

Prescribing newly allowed for three allied health professions 5:13

Primary care

New COT factsheet on OTs in primary care 5:16

Scottish occupational therapists urged to 'share and engage' with decision makers 10:8

Prisons

Nice consulting on health guidance for prisoners 6:12

Northern Ireland consulting on health needs of offenders 5:8

OT having a positive impact on prisoners 7:7

Professional development

From opera singer to occupational therapy – singer to study for PhD in Sweden 11:8

New award to support professional development 12:13

New post registration framework for AHPs in Wales 11:9

Professional indemnity insurance

COT enhances professional indemnity insurance for members 10:55

Professional profile

Awareness sessions for Scottish medical students 11:11
